Find toolkits on effective stakeholder and community engagement

[Community-Driven Development Toolkit](#): Governance and Accountability Dimensions - The Toolkit is organized into a Guidance Note and three sections: community-, project-, and external level tools. Within each section, information is organized into modules and topics containing related tools, case studies, boxes and figures.

[A guide to Community Engagement for Public-Private Partnerships](#) - This guide explains how communities affected by a PPP can engage in the project.

[Community Renewable Energy Toolkit](#) - This toolkit has been produced to help community groups to develop renewable energy projects.

[Community and Renewable Energy Scheme \(CARES\) Project Development Toolkit](#) - This Toolkit has been developed specifically to help community groups and rural businesses of all kinds take forward the development of renewable energy projects.

[The Municipal Public-Private Partnership Framework - Module 18](#): Community Engagement - This module sets out different tools to be used throughout the PPP project cycle to engage with the communities affected by and associated with the project, with a special focus on women and the poor.
