PPPs by Sector

PPPs by Sector: Sub-national & Municipal

The scope for municipal and sub-national PPP projects is vast and this section looks at the main sub-sectors where PPPs are being developed, as well as legal and regulatory frameworks at the sub-national level.

PPPs by Sectors, building facade blending with horizon

Just as there are different types of public-private partnerships (PPPs), PPPs also exist in a variety of industry sectors. Each sector offers unique challenges and opportunities for PPPs due to differing legal, regulatory and investment considerations. Find more information about public private partnerships in the following sectors:
