When preparing or reviewing PPP project documents, having access to specific checklists can help ensure that important legal and contractual issues are thoroughly considered.

Explore the Checklists and Sample Wording resources linked below, which include materials on key legal topics such as change of law provisions, force majeure, dispute resolution mechanisms, sovereign immunity, insurance requirements, and joint venture checklists.

In addition visit the section Legal Framework for guidance and insights into the foundations of assessing and developing the legal and regulatory framework for PPPs. This section provides practical guidance on laws and regulations, contracts and agreements, risk allocation and management, procurement processes and dispute resolution systems.

The section for PPP Sector Specific Checklists offers additional checklists tailored to different infrastructure sections, such as transport, power and renewable energy, water and sanitation, waste management and climate.
