Mobilizing Private Sector Capital for Resilient, Inclusive, and Quality Infrastructure

The World Bank Group's (WBG) Infrastructure Finance Learning program offers a comprehensive range of resources and tools to support infrastructure financing.

The program will leverage WBG know-how in mobilizing additional sources of funding and financing for infrastructure by involving private investors. It will feature the Guarantees Academy, the PPP Certification course, case studies, tools and materials, including the Public-Private Partnerships Resource Center, and the Private Participation in Infrastructure (PPI) database.

Program Components:

The Infrastructure Finance Learning program is structured around four core components, each addressing a critical aspect of infrastructure finance:

- Addressing Infrastructure Gaps through PPPs
- Creating the Enabling Environment for Infrastructure Finance – including the legal, regulatory, and institutional environment to mobilize private capital for infrastructure
- Adopting Financing Instruments to Deliver Private Capital – including credit enhancement, insurance, guarantees and local currency finance
- Preparing Transactions to Meet Market Requirements and Achieve Best Value for Money

Target audience:

IFK is tailored for WBG public sector clients, including:

- PPP units
- Sector Ministries (e.g., Transport, Energy, Health)
- Planning and Finance Ministries
- Local Governments
- State-Owned Enterprises (SOEs) in sectors like utilities, finance, and construction

- Other stakeholders within the infrastructure finance ecosystem
