PPP Hot Topics

In partnership with the Multilateral Cooperation Center for Development Finance (MCDF), Egyptian Ministry of Finance, African Development Bank (AfDB), Asian Development Bank (ADB), Public-Private Infrastructure Advisory Facility (PPIAF), World Bank and the World Association of PPP Units and Professionals (WAPPP), the WBG Infrastructure Finance Learning program organizes a series of [events](#) aimed at providing valuable insights into PPPs.

These workshops are designed to offer specialized knowledge and practical skills tailored for PPP units and professionals in Africa and Asia. The series goes beyond standard training, focussing on niche and emerging topics, and emphasizes knowledge-sharing from experienced PPP units in developing countries, enriched with expertise from International Financial Institutions (IFIs).

Workshop Topics Include:

- [Workshop 1: How to Deal with Inflation, Exchange Rate and Interest Rate Risks in PPPs](#)
- [Workshop 2: PPP Project Preparation Funds](#)
- [Workshop 3: PPPs for New Technologies](#)
- [Workshop 4: New Sources of Public Financing for PPPs](#)

WBG Learning Platforms

- The [Open Learning Campus \(OLC\)](#) is the World Bank's primary platform for learning about the Bank and international development. While much of the content is publicly accessible, participation in specific learning programs requires an OLC account.

Additional Learning Opportunities Include:

- [Benchmarking Infrastructure Development – Launch events](#): an in-person and virtual lesson

Other Learning Platforms

- [PPP MOOC](#): The massive open online course on PPPs, designed to help learners understand the role of PPPs and equip professionals with essential skills. The course includes video lectures, readings, quizzes and other learning material and is also available in French.
- [ALSF Academy](#) is an innovative web-based platform that provides e-learning courses and related materials, including comprehensive course handbooks, model agreements, practice guides and sector-specific publications.
- [BIDAcademy](#) by the Inter-American Development Bank: This platform promotes capacity building and training across Latin America and the Caribbean (LAC) to foster sustainable development in the region.

- [UNICEF Agora](#): A global hub for learning, providing access to all of UNICEF's learning opportunities, including the Public-Private Partnerships ([PPPLab-UNICEF project](#)), which offers an online course based on the content of the PPPLab Food & Water Insights series.
- [ESCAP Training materials](#): Developed by the ESCAP Secretariat, this online course covers major issues related to PPPs and is available in multiple languages, including Khmer and Burmese. Participants can also earn a PPP certificate upon completion.
- [Capacity Building Program](#): The PPP Center in Philippines conducts a series of capacity building activities (CBAs), offering targeted and customized training to help stakeholders successfully implement viable PPP projects.
