Asset Recycling Programs

Asset Recycling Programs

Section Overview

To holistically implement an asset recycling program, considerations with respect to where the proceeds from the monetization will be invested is crucial.

***The PPPRC Asset Recycling section** is intended to serve as a living document and will be periodically updated to reflect emerging best practices, evolving market conditions, and implementation experience.*

The Asset Recycling Programs section focuses on the fundamental elements that form the foundation of asset recycling:

- what asset recycling is,
- why it is needed, and
- the roadmap for its implementation.
