Standard on Public-Private Partnerships / Concession Legal Framework in support of the Sustainable Development Goals and its Accompanying Guide

The purpose of this Standard is to establish a legal framework for Public-Private Partnerships (PPPs) aimed at achieving the Sustainable Development Goals (SDGs). This framework will govern the contracts that implement these partnerships, including the rules and procedures for their selection, preparation, appraisal, procurement, and implementation.

UNCITRAL Legislative Guide

The Model Legislative Provisions are intended to assist in the establishment of a legislative framework favourable to public-private partnerships (PPPs). The Model Legislative Provisions follow the corresponding notes in the Legislative Guide, which offer an analytical introduction with references to financial, regulatory, legal, policy and other issues raised in the subject area. The user is advised to read the Model Legislative Provisions together with the Legislative Guide, which provides background information to enhance understanding of the legislative recommendations.
