[Government Guarantees for Mobilizing Private Investment in Infrastructure](#)

Written by Jason Zhengrong Lu, [Jenny Jing Chao](#) and James Robert Sheppard, December 2019

This publication provides guidance to government officials in emerging markets and developing economies (EMDEs) on when government guarantees for public-private-partnership (PPP) projects might be desired; how they could be best utilized; the structure and scope of guarantees and guarantee programs; the costs and risks entailed; and how to manage these risks.

[COVID-19 and PPPs Practice Note: Assessing Operational PPP Portfolios](#)

Written by Jane Jamieson, Jenny Chao and Jemima Sy with inputs from Mahomed Bashir, Patrick Dougherty, Christina Paul, Dentons LLC and DLA Piper UK LLP under the guidance of Imad Fakhoury (Global Director – IPG) and Fatouma Toure Ibrahima (Practice Manager- PPP Group).

This note discusses key operational considerations when trying to maintain services during the COVID-19 crisis and recalibrating the PPP project in the short term. It builds on early lessons from the pandemic response and provides general guidance that could assist governments when assessing their policy and legal options for addressing COVID-19 impacts on PPP projects that are already underway.

[World Bank Group Guarantee Products Guidance Note](#)

Edited by: [Susanne Foerster](#) with [Victoria Rigby Delmon](#), April 2016

This publication summarizes key features of the guarantee products offered by each World Bank Group institution and highlights main similarities and differences among them, looking in particular to how these guarantee products may be used in support of public private partnership (PPP) transactions for infrastructure projects in emerging markets.

It is also available in [Spanish - Productos de Garantía del Grupo Banco Mundial Nota de Orientación](#) and [French - Produits de Garantie du Groupe de la Banque Mondiale](#)

[Toolkit: Structuring Private-Sector Participation \(PSP\) Contracts for Small Scale Water Projects](#)

by Victoria Rigby Delmon, Water and Sanitation Program (WSP), May 2014.

This toolkit is a resource designed to assist practitioners working on the next generation of private-sector participation (PSP) contracts for smaller water projects. Building on a review of PSP contracts developed in over 14 countries -- as well as recent survey data -- the Toolkit provides actionable guidance on how best to structure contract and bidding documents.
