(Art. 8 and 9, PPPA) - Invitation to bid.
(Art. 2, PPPA) A "request for proposal" means as the specific terms of the project requirements, the procedures for submission of bids, the criteria for the evaluation of bids and includes a model agreement.

Project Evaluation
(Art. 4.2, PPPA)
(Art. 5, PPPA) The evaluation process involves from the contracting authority to prepare a request for proposal on the approval of the feasibility study and, where the terms of the model agreement impact on public finance, seek the approval of the Committee.

The feasibility study shall demonstrate comparative advantage for strategic and operational benefits, as well as affordability and value for money.

Negotiation and Signature of PPP Contracts
(Art. 40(2), PPPA)
(Art. 8, PPR) No negotiation between a public body and a selected bidder or other bidders except in such special circumstances as may be prescribed. Negotiations may be carried out with a bidder or supplier where: (a) the lowest evaluated substantially responsive bid is substantially above the updated estimated costs and a re-bid exercise is considered not practical; (b) direct procurement from a single source is resorted to; or (c) emergency procurement under section 21 of the PPA is resorted to.

No contracting authority shall award a project or sign an agreement unless (a) the award of the project has been approved by the Central Tender Board; and (b) the agreement has been approved by Cabinet (Art. 11, PPPA).

Rights and Obligations of the public partner
No provision in the PPP Act.

Rights and Obligations of the private partner
