# The New Look of the **PPIRC** Unveiled.

Visit the PPIRC

Technology moves fast, and in order to keep up, the **Public-Private Partnership in Infrastructure Resource Center for Contracts, Laws and Regulation (PPIRC)** has upgraded to a faster and better platform to improve the performance of the site and make it easier for you to find what you are looking for. Check out the refreshed site for an array of sample legal materials, checklist, risk matrices, toolkits, sample clauses and terms of references to assist in the planning, design and legal structuring of any infrastructure project – especially a projects involving public-private partnerships (PPP).
