# PPPLRC Public-Private Partnership Legal Resource Center

The Public-Private Partnerships in Infrastructure Resource Center (PPPIRC) has recently changed its name to the **Public-Private Partnerships Legal Resource Center (PPPLRC)** to reflect better its focus on legal issues relating to PPPs. The site will continue to feature sample laws, regulations, contracts, tools and other resources across various sectors and PPP-related topics. Designed for government officials, project managers and lawyers involved in PPP projects in developing countries, it provides international experience and precedents to help you develop a conducive PPP enabling environment and structure PPP project and contracts.

With resources in various languages including **English, French, Spanish, Mandarin Chinese**, initiatives from both developed and developing countries, as well as a wealth of sector-specific information on energy, water, transportation, information & communication technologies, solid waste, and most recently, a dedicated page to resources on clean energy, you just might find what you are looking for @ **PPPLRC**.
